The image displays a Windows 10 desktop environment. The top portion shows a network status window with connection details for Cox and a "Having Internet Problems?" troubleshooting section. Below this is a screenshot of the Windows 10 "Options & Tweaks" settings window, which is open over a music player interface. The music player shows a playlist of songs, including "Everyday Life" by Inixx and "Down Right (Quick Hit Clean)" by Chris Webby. The desktop background features a "euphoria" advertisement for HBO Max.
